### **Dangerous Landmines in the Promised Land...**

#### **1. Unrealistic Expectations**

- This will lead to *disappointment* with God
- The kingdom of God is both *right now* and *not yet*

#### **2. Spiritual Amnesia**

- When things start to go wrong, it leads to *fear*
- When things start to go right, it leads to *arrogance*

#### **3. Small Compromises**

- 95% obedience is still *disobedience*

#### **4. Presumption**

- Only a fool counts on God's *promises* while ignoring His *warnings*
